Opening water allocations for Bellinger water users

The NSW Department of Planning, Industry and Environment today announced available water determinations for water users in the Bellinger unregulated and alluvial water sources for the new 2019-20 water year, commencing on 1 July 2019.

Domestic and stock and local water utility water access licence holders receive an allocation of 100 per cent of entitlement.

Bellinger unregulated river water access licence holders receive an allocation of 1 megalitre per unit share.

Aquifer water access licence holders also receive an allocation of 1 megalitre per unit share.

Additional information on available water determinations can be found on the NSW Department of Planning, Industry and Environment website at - www.industry.nsw.gov.au/water
