

Image Source: 2000 Landsat Imagery
 Mapping from: Wetland Vegetation Mapping of the
 Lachlan Valley, Department of Water Resources 1989

Legend

- Flood Dependent Ecosystem outside the 1978 Guidelines Floodway but included in the FMP Floodway Network
 - FMP Floodway Network
 - Rivers/Creeks
 - Digital Cadastral Database
- Wetland Vegetation:**
- Black Box
 - Open Water
 - Open Water/Grey Box/Yellow Box
 - Open Water/River Red Gum
 - Open Water/River Red Gum/Black Box/Grey Box
 - River Red Gum
 - River Red Gum/Grey Box/Yellow Box
