WHAT'S HAPPENING IN JUNE?

- The first delivery of pipes will arrive in Tamworth, a total of 180 pipes in one week. This marks a key milestone in the new Dungowan Dam and pipeline project. Read the full media release [here](#).
- Our next round of webinars for the community will be held on June 8. For details and to RSVP, click [here](#).
- Our quarterly project newsletter will be published for the community, stakeholders and businesses.
- Community information sessions will be held at venues in the local area during the week of June 28. Stay tuned for details and to RSVP.
