WHAT'S HAPPENING IN FEBRUARY

Over the next few weeks the Project team will be:

- In the field continuing geotechnical investigations at the potential rock quarry and clay borrow sites around Wyangala.
- Carrying out a road safety audit on construction heavy vehicle routes to inform the Environmental Impact Statement traffic and transport assessment.

- Doing enabling work including environmental controls, cutting vegetation and improving access for construction of the new water treatment plant at Wyangala.
- Starting consultation with Registered Aboriginal Parties on the Project's draft Aboriginal Cultural Heritage Assessment Report. On-Country engagement on Cultural Values will continue.
