Data is cumulative from December 2021 - present

 **32,422** **Webpage views**

Complaints received to date  **48**

Unless stated otherwise, all stats are cumulative totals from January 2020 and are updated at the end of each month.

WHAT'S HAPPENING IN APRIL

- We're preparing for the next round of geotechnical investigations around the Wyangala Dam Project area.
- We're in the final stages of preparing for our autumn field surveys for native animals and plants.
- Procurement for the Wyangala Water Treatment Plant is ongoing. The Project team encourage local businesses to register **here**. We regularly update and provide this register to Enviropacific Services so they can maximise local business opportunities.
- Meetings with key stakeholders are ongoing.
