CONNECTING WITH YOU

WHAT'S HAPPENING IN MAY?

- Our quarterly project newsletter will be published for the community, stakeholders and businesses
- We are holding our next round of Community Information Sessions on 12 and 13 May in Tamworth and Dungowan. For event details and to RSVP, [click here](#)
- We have completed pipeline alignment surveys and service location investigations. Geotechnical investigations between Calala and Dungowan Dam will start in May

All stats are cumulative totals and updated at the end of each month
