# We want your ideas for recreation activities at Prospect Reservoir

The NSW Government wants to know your ideas about options for new outdoor activities like swimming, fishing and kayaking at Prospect Reservoir.

Our discussion paper explains the importance of Prospect Reservoir for Sydney's water supply and also outlines the options being considered to increase opportunities for recreation at Prospect Reservoir.

You can download a copy of the discussion paper at [water.nsw.gov.au/prospect-reservoir](https://water.nsw.gov.au/prospect-reservoir)

## Complete our online survey

We want to know what you value about Prospect Reservoir and what would make it a more enjoyable place to visit. Access the online survey by scanning the QR code or by visiting our website.
