

Available Water Determination Order for Unregulated River Water Sources 2020 [1]

under the

Water Management Act 2000

I, Allan Raine, having delegated authority in pursuance of section 59 (1) (a) of the *Water Management Act 2000*, make the following Order.

Dated this 10th day of September 2020

Allan Raine
A/Director Water Planning Implementation
Department of Planning, Industry and Environment – Water Group
(by delegation)

Explanatory note

This Order is made under section 59 (1) (a) of the *Water Management Act 2000*. The object of this Order is to make an available water determination for various categories and subcategories of access licences in the water sources identified in Schedule 1.

Available Water Determination Order for Unregulated River Water Sources 2020 [1]

under the

Water Management Act 2000

1 Name of Order

This Order is the *Available Water Determination Order for Unregulated River Water Sources 2020 [1]*.

2 Commencement

This Order commences on 10th day of September 2020.

3 Available water determination

This Order determines the availability of water for take from an unregulated river in the water source specified in Schedule 1, for each category or subcategory of access licence specified in Schedules 2, on the corresponding terms specified in that schedule.

Note: An available water determination made in relation to a particular category of access licence applies to all subcategories of that category, except to the extent to which this order provides otherwise, in accordance with section 59 (1A) of the *Water Management Act 2000*.

Schedule 1 Water Sharing Plan

This Order applies to water sources to which the following water sharing plan apply:
