

Available Water Determination Order for the Macquarie and Cudgegong Regulated Rivers Water Source 2023

under the

Water Management Act 2000

I, Brian Graham, having delegated authority in pursuance of section 59 (1) (a) of the *Water Management Act 2000*, make the following Order.

Dated this 28th day of February 2023

Brian Graham
Manager Water Allocations
NSW Department of Planning and Environment – Water Group
(by delegation)

Explanatory note

This Order is made under section 59(1)(a) of the *Water Management Act 2000*. The object of this Order is to make an available water determination for access licences identified in Schedule 2 of this Order, in the water source identified in Schedule 1 of this Order.

Available Water Determination Order for the Macquarie and Cudgegong Regulated Rivers Water Source 2023.

under the

Water Management Act 2000

1 Name of Order

This Order is the *Available Water Determination Order for the Macquarie and Cudgegong Regulated Rivers Water Source 2023*.

2 Commencement

This Order commences on the 1st of March 2023.

3 Available water determination

This Order determines the availability of water in relation to the water source specified in Schedule 1, for the categories and subcategories of access licence specified in Schedule 2, on the terms specified in Schedule 2.

Schedule 1 Water Source

This Order applies to the Macquarie and Cudgegong Regulated Rivers Water Source, as identified in clause 4 of the *Water Sharing Plan for the Macquarie and Cudgegong Regulated Rivers Water Source 2016*.

Schedule 2 Access licences and terms

Each amount specified in Column 2 applies to the adjacent category/subcategory of access licence specified in Column 1.

COLUMN 1 Category/ subcategory of access licence	COLUMN 2 Volume per unit of access licence share component
Floodplain harvesting (regulated river) access licences	0.33 megalitre

Note: This available water determination is in addition to any water allocation credited in accordance with any available water determination made in relation to the water source specified in Schedule 1, for a category or subcategory of access licence specified in Schedule 2, during this water year commencing 1 July 2022.
