Dear RWS,

FBA Case Number: 00073868

Type: Submission FNC RWS

What: Dunoon dam- habitat issues

Expectation:

**Email:** [REDACTED]  
**Name:** [REDACTED]  
**Phone:** [REDACTED]

**Business Details:**  
**Category:** Water

**Query:** Please protect platypus, koala, dam will destroy habitat for these animals, more platypus are being discovered in area where dam will disrupt flora and fauna habitat. The dam will be a stranded asset,useless because it will only pass water on when rocky creek overflows, with limited catchment. 150-200 million dollars spent which should be used for more efficient water usage,stsrt with tanks
