Subject: Your submission for Border Rivers Regional Water Strategy

1. Information on confidentiality and privacy

I give my permission for my submission to be publicly available on the NSW Department of Planning, Industry and Environment website.: Yes

I would like my personal details to be kept confidential.: No

2. Your details

Email address: [REDACTED]

Name: Paul Henry

Address: [REDACTED]

Contact phone number: [REDACTED]

Do you identify as an Aboriginal person?: No

Are you an individual or representing an organisation?: Organisation

3. Organisation or business details

Who do you represent?: Government

If you selected Government, please clarify.: Local

If you selected Peak representative organisation, please clarify.:

4. Draft Regional Water Strategy objectives and vision

Do you support this vision for the Border Rivers Regional Water Strategy? : Yes

If no, please outline your vision for the long term management of water resources in this region?:

5. Information and modelling used to develop the Border Rivers Regional Water Strategy

Do you have any comments about the information used to develop this strategy?:

Please provide details if there is additional information you think we should consider?:

6. Stochastic modelling method

Do you have any comments about the modelling method used to develop this strategy?:

Is there any additional information that you believe could help us assess the benefits and disadvantages of draft options?:

7. Opportunities and challenges for water management in the Border Rivers region

Do you have any comments on the opportunities, risks and challenges identified?:

Are there any additional opportunities, risks and challenges that we should consider and what options could address these?:

#### 8. Draft Border Rivers Regional Water Strategy options

Which five (5) options do you think are most important?:

1. Feasibility study on the Mole River Dam to be expanded to include the Pindari Dam Wall Extension. 3. Raising of the Mungindi Weir.

Please comment on why you think these options are most important? :

By fulfilling these options we will achieve a thorough understanding of the options available for future water infrastructure in the Border Rivers catchment area.

Which five (5) options do you think are least important? (If any):

Please comment on why you think these options are least important? :

Do you have any comments on the draft options?:

#### 9. Option combinations

Do you have any thoughts on how the options could be combined with other options?:

Are there additional options that we should consider?:

#### 10. Other comments

Do you have any other comments about the Border Rivers Regional Water Strategy?:

#### 11. Referral

How did you hear about the public exhibition of this strategy?:
