Subject: Submission to draft regional water strategy far north coast To whom it may concern, Please accept this as my submission to the Far North Coast Draft Regional Water Strategy. I do not consent to and do not want Option 14. New Dunoon Dam on Rocky Creek to be approved or implemented. Aboriginal heritage land and burial sites will be destroyed and inundated and Endangered Ecological rainforest Community will be destroyed. Also koala habitat and corridors will be destroyed. I am [REDACTED] a National business owner and father.
